MAFFS-IBOOK - Apple iBook G3 “Clamshell” Special Edition (Granite)

Depression level: 6/10

Specs

RAM: 256MB

Maintenance notes

Knocked an SMD capacitor or resistor off the mainboard while trying to reinstall the HDD without removing bloodyfuckingeverything. Seems not to have impacted anything.

Apple Computers, Laptops, Computers with PowerPC Processors, 32-bit Computers, Depression Level 6, eBay Purchases, Computers I Damaged
